

Evenin'

Kathy Mattea

Evevin', each night you come and you find me
Why must you always remind me
That my man is gone
Evevin', can't you see I'm deep in your power
Each minute seems like an hour
Since my man is gone
Shadows fall on the wall
That's the time I miss your kisses most of all
Even though I try, how can I go on
Evenin', can't you see the dawn is breaking
Don't care if I awaken
Since my man is gone
