

Can't Get You out of My Heart

Kathy Troccoli

I've been trying to forget about you
Live my life the way I used to do
Is there no use
And I've been trying just to get through the night
Without wishing I could hold you tight
I try and I try
But it's a waste of time
How can I get you off my mind

When I can't get you out of my heart
No matter what I try to do
It all comes back to you
No matter where I go, no matter who I see
Everything reminds me of you and me
'Cause I can't get you out of my heart
It doesn't matter how I try
You're still on my mind, baby
I just can't get you out of my heart
Oh, baby

How can I think of finding somebody new
When all I ever do is think of you
What can I do
I hear my heart beat and it's calling your name
Love is like a fire, can't put out the flame
I just don't feel the same
I see your face every place I go
I've stopped loving you, baby, I don't know

'Cause I can't get you out of my heart
No matter what I try to do
It all comes back to you
No matter where I go, no matter who I see
Everything reminds me of you and me
'Cause I can't get you out of my heart
It doesn't matter how I try
You're still on my mind, baby
I just can't get you out of my heart

Oh-oh, I'm out of your life
You're out of my arms
I'm out of my mind
'Cause I just, I just
Can't get you out of my heart

Ooh-ooh-ooh...

I can't get you out of my heart
It doesn't matter how I try
You're still on my mind, baby
I just can't get you out of my heart

Can't get you out of my heart
Can't get you

Can't get you out of my heart
No matter what I try to do

It all comes back to you
No matter where I go, no matter who I see
Everything reminds me of you and me
'Cause I can't get you out of my heart
It don't matter how I try
You're still on my mind, baby
I just can't get you out of my heart

Can't get you out of my heart
Can't get you out of my heart
Can't get you
Ooh, I can't get you out of my heart
Ooh-oo-oo...
Can't get you out of my heart
