

It's Your Love

Kathy Troccoli

You come like sweet violins
And comfort my soul when I'm crying
The melody floats on the wind
'Til it catches my heart and I'm flying
It carries me on gentle wings
And always breaks my fall

It's Your love and I want You to know
It's Your love, Lord, I've need You so
It's Your love and with all of my soul
I thank You for loving me
It's Your love and I want You to know
It's Your love and I've needed You so
It's Your love and with all of my soul
Thank You for loving me

You rise in me like the sun
And fill me with joy in the morning
The changes that You have begun
Turn the darkness to daylight before me
I can't believe this miracle
Is happening to me

It's Your love and I want You to know

It's Your love, Lord, I've need You so
It's Your love and with all of my soul
I thank You for loving me
Lord, it's Your love and I want You to know
It's Your love and I've needed You so
It's Your love

It's Your love and I want You to know
It's Your love and I've need You so
It's Your love

It's Your love and I want You to know
It's Your love and I've need You so
It's Your love and with all of my soul
I thank You for loving me
It's Your love and I want You to know
It's Your love, I've needed You so
It's Your love and with all of my soul
Thank You for loving me
Thank You, Lord, thank You, Lord, thank You, Lord

It's Your love
Thank You for loving me
