

## Lord I Need You Now

Kathy Troccoli

Lord, I'm all alone  
I've tried to be so strong  
How could I pretend  
Not to need You for so long  
Hiding when I'm broken in pain  
Crying to You, "hold me again"

And Lord, Lord I need You now  
Here I am again  
Cryin' like a child  
Lord, please tell me that You're near  
Let me know You're here  
Hold me in Your arms

Lord, I need You now

Looking for the warmth of Your touch  
Now I know I need You so much

And Lord, Lord I need You now  
Here I am again  
Just cryin' like a child  
Lord, tell me that you're near  
Let me know you're here  
Hold me in your arms  
Lord, I need you now
