

# That's How Much I Love You

Kathy Troccoli

I died for you  
I'd do it all again if I had to  
To show you what you really mean to Me  
I cried for you  
I hung on the cross so you wouldn't have to  
I made a way to set your spirit free  
That's how much I love you  
That's how much I want you  
Ooooooo  
I gave up My whole Life that you might live  
That's how much I love you  
That's how much I want you to see  
That you are My child  
And you mean so much to Me  
I gave you the stars  
The sun, the moon, yes I went that far  
So no matter where you'd go you'll think of Me  
The mountains fair  
The beautiful oceans are there  
To remind you that I can satisfy your every need  
That's how much I love you  
Ooo  
That's how much I want you  
Ooooooo  
I gave up My whole Life that you might live  
That's how much I love you  
That's how much I want you to see  
That you are My child  
And you mean so much to Me  
That's how much I love you  
That's how much I want you to see  
That you are My child  
And you mean so much to Me  
That you are My child  
And you mean so much to Me
