

When I Look At You

Kathy Troccoli

Lord, when I look at You
My tears just melt away
A peace comes over me
And I don't feel afraid

Lord, when You look at me
I know I'm not alone
My spirit soars above the pain
My heart has known

Hold me, don't let me go
I need You with all my soul
There is nothing I will face
Without the grace to see me through
When I look at You

Lord, when I look at You
The world becomes so small
The burdens that I carry
I can let them fall

And when You look at me
I know that I am safe
You're closer than my very breath
And help me pray

Hold me, don't let me go
I need You with all my soul
There is nothing I will face
Without the grace to see me through

When I look at You
When I look at You
When You look at me
When I look at You
