

You're the Heart of Me

Kathy Troccoli

Teach me to fly like You fly
Teach me to run like You run
Teach me to love like You love
That's all I ask
Don't hold back

chorus

You are the fire consuming
Every part of me
You're the heart of me
You are the light revealing
Every part of me
You're the heart of me
Teach me to cry like You cry
Teach me to feel like You feel
Teach me to hope like You hope
Right from my soul
All that I know

chorus

I want to see what You see
I want to breath when You breathe
You're all I need

chorus

Every single beat
You're the heart of me
You are the light revealing
Every part of me
Make me holy in every part of me
You are the heart of me
