

# Lost And Found

Katie Herzig

You know you left me standing there  
Out in the cold of the corner stair  
I don't believe the words you say  
But I can't find the words I want  
No, I can't find the words I want

If you were gone in another life  
I don't I would just survive  
I could feel you next to me  
And escape from the world I know  
Oh, I'm afraid of the world I know

One day I'll see Heaven's reach  
Find the one that left me sleeping  
Every war was another seed  
That could feed every soul in meet  
Oh, won by the war in me

Somebody found me here  
Somebody held my breath  
Somebody saved me from  
The world you left  
If you're gonna cry my tears  
If you're gonna find my friends  
If you're gonna let me see  
The sun you set

Oh I am lost and found  
Oh I am lost and found  
Oh I am lost and found

Somebody found me here  
Somebody held my breath  
Somebody saved me from  
The world you left  
If you're gonna cry my tears  
If you're gonna find my friends  
If you're gonna let me see  
The sun you set

Oh I am lost and found  
Oh I am lost and found  
Oh I am lost and found  
Oh I am lost and found  
I am lost and found
