How do you talk about a feeling  
When you don't know where where it lives inside  
How do you talk about a doubt that's like a shadow--  
Chasing away the light?

We want the same thing when we're happy  
We want the same thing when we're sad  
We are not breaking we're just one step away from  
All we ever dreamed we'd have

You used to doubt that you would ever find a real love  
Before you knew what it was  
I used to think that I knew everything about it  
But it was not good enough

We want the same thing when we're happy  
We want the same thing when we're sad  
We are not breaking we're just one step away from  
All we ever dreamed we'd have

All we ever  
All we ever  
Dreamed we'd have

It's hard to make it  
Until we tear it all down  
It's hard to fake it  
Until we tear it all down  
Hard to make it  
Until we tear it all down

We want the same thing when we're happy  
We want the same thing when we're sad  
We are not breaking we're just one step away from  
All we ever dreamed we'd have

We want the same thing when we're happy  
(It's hard to make it - Until we, until we tear it all down)  
We want the same thing when we're sad

We are not breaking we're just one step away from  
(It's hard to make it - Until we tear it all down)  
All we ever dreamed we'd have

We want the same thing when we're happy  
(It's hard to make it - Until we, until we tear it all down)  
We want the same thing when we're sad

We are not breaking we're just one step away from  
(It's hard to make it - Until we tear it all down)  
All we ever dreamed we'd have
