

## The Bit That I Don't Get

Katie Melua

The bit that I don't get  
It's how it changed so fast  
How it changed from we will always be together  
To it will never last.  
The writing on the wall  
I hadn't seen it yet  
When you told me you were tired of it all  
That's the bit that I don't get.

So call me a fool  
I do!  
But no longer the fool beside you  
And I'm learning from the pain  
Won't be doing that again!

The bit that I don't get  
It's how it changed so fast  
How it changed from we will always be together  
To it will never last.  
The writing on the wall  
I hadn't seen it yet  
When you told me you were tired of it all  
That's the bit that I don't get!

People break up everyday  
But I never thought  
I would wake up to hear you say  
Forever now means never!

The bit that I don't get  
It's how it changed so fast  
How it changed from we will always be together  
To it will never last.  
The writing on the wall  
I hadn't seen it yet  
When you told me you were tired of it all  
That's the bit that I don't get!
