Tiger In The Night

Katie Melua

D You are the tiger burning bright **A**6 Deep in the forest of my night Fism You are the one who keeps me strong in this world D G You sleep by the silent cooling streams **A**6 Down in the darkness of my dreams All of my life I never knew G - G6 D You were the dream I'd see come true You are the tiger burning bright I was the one who looked so hard I could not see Now I could never live without the love you give to me I lived like a wild and lonely soul **A6** Lost in a dream beyond control Fism You were the one who brought me home down to earth G For you are the tiger burning bright **A**6 Deep in the forest of my night All of my life I never knew You were the dream I'd see come true G-G6-D You are the tiger burning bright
