

Cry for Me

Katrina and the Waves

Gonna sing you a sad, sad song
About when your baby done you wrong
And if you're feelin' sad and blue
I'm gonna sing this song for you

If you're lookin' for a shoulder you can cry on
You got it, you got it, mine for free
You can cry, you can cry on my shoulder, oh yeah
You can cry, you can cry, cry to me

And if your baby just a mean ol' mistreator
And you need a little love and sympathy
You can cry, you can cry on my shoulder, oh yeah
So come on baby, you can cry, cry to me, yeah...

So if you're down and you're feelin' sad and lonely
Yes I know we can make a sweet harmony
You can cry, you can cry on my shoulder, oh yeah
You can cry, you can cry, cry to me...

I don't wanna see you
I don't wanna see you sad and lonely baby
Come on, cry to me, yeah
And just a little bit longer
And just a little bit longer
Cry, cry, cry, cry, cry to me, yeah
...
