

I'll Wait

Katrina Carlson

How can the world keep turnin'?
How can the sun keep on burnin' strong?
How can the birds sing their songs?
And the children laugh and play with you gone?

How can I find some solace?
I'm restless, I'm racing the halls at night
I feel like I'm dying inside
As I wake at the break of light

(Chorus)

I'll Wait for you
I'll Wait with no time to waste
And pray for you
It's all I can do when I'm losing my faith
I'll Wait

How could you say forever
And then walk away like we never were?
You say you're losing control
You're not used to feeling vulnerable

But have you no reason to trust me?
I've weathered the seasons, the gusty chill
I promised to love and to cherish
And I have and you know I will

(Chorus)

Every night and every day
In every wish and word I say
I set you free, so you can be all that you dream
So I'll Wait

(Chorus)
