

# Suddenly Beautiful

Katrina Carlson

I'm a bad girl  
I'm a dirty pearl  
Pray my soul to keep  
Spirit is willing but cannot speak

(Chorus)  
Suddenly you make me feel  
Like I'm beautiful  
Suddenly you make me feel  
Like I'm beautiful  
I can see, see through eyes  
That were dead and dull  
I'm Suddenly Beautiful

You don't understand  
No one understands me  
I'm a fallen star  
Sky gets so dark  
You don't know where you are

(Chorus)

Chrysalis, tenderness  
Can I get a witness?  
Is this love, is this love?  
Genesis, metamorphosis  
Breaking through the surface  
Is this love? Suddenly

Suddenly you make me feel  
Like I'm beautiful  
Suddenly you make me feel  
Like I'm beautiful  
I can see the sun rise  
Light up the world  
And I can see  
It's beautiful  
I can see  
It's beautiful  
Suddenly Beautiful
