

# Love Will Still Be There

Katrina Elam

I want my life to be worth living  
And you make that dream come true  
You opened Heaven's door,  
Made the thunder roar  
And I've given my heart  
Given my heart to you

[chorus]  
I want love to be like water  
Running through me like the rain  
Drown me in my passion  
Wash away my sorrow  
Cleanse me of my pain  
I want you to be the reason  
And the answer to my prayer  
If ever you were gone  
I'll be holding on  
And love will still be there

If I could fly I'd be a sparrow  
And come to you on angel wings  
You'll never know how much  
I'm gonna miss your touch  
Till we see what tomorrow  
See what tomorrow brings

[Chorus]  
I want love to be like water  
Running through me like the rain  
Drown me in my passion  
Wash away my sorrow  
Cleanse me of my pain  
I want you to be the reason  
And the answer to my prayer  
If ever you were gone  
I'll be holding on  
And love will still be there

Ooohhh

I want you to be the reason  
And the answer to my prayer  
If ever you were gone  
I'll be holding on  
And love will still be there  
Love will still be there
