That's My Man

Black leather boots
Deep sea green eyes
A miracle in blue jeans
[?]
What did I do
How did I find
How did such a good love thing
walk into my life

[Chorus:]
Oh that's my man
He loves everything I am
That's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my man

Oh
I can't get no sleep
But that's alright
A magic in his fingers
Filling up my nights
Get a little bit weak
When he holds me tight
Taking me to heaven

He's my magic carpet ride

[Chorus:]
Oh that's my man
He loves everything I am
Oh that's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my man

There's something sensual about him What would I ever do without him Oh

[Chorus:]
That's my man
He loves everything I am
Oh that's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my

Honeysuckle kisses My three wishes Honey, that's my

Honeysuckle kisses So delicious Honey, that's my man
