

# I'm Pretty

KATSEYE

Heartbreak, move on  
New face, new song  
I'll meet someone, then back to square one, yet  
Try to hold on  
Just commotion  
Cycle turns and does what it wants

Just when I think it's too much, I dry my tears with makeup  
Things I could do with this brush  
You'd never know that I hurt

Yeah, I'm pretty (Pretty)  
Pretty (Pretty)  
Pretty sure I'm not done healing  
But I'm pretty (Pretty)  
Pretty (Pretty)  
Pretty sure that I'm still breathing

I'm not afraid to cover up, put on a front  
Put on a face and show it off  
Yeah, make myself pretty (Pretty)  
Pretty (Pretty)  
Pretty far from feeling pretty, sure I'm not done healing

They always told me to  
Lose the old me  
Chip away, find my pain in beauty, yeah  
My emotions  
Keep on going  
Just conceal when they start flowing

Just when I think it's too much, I dry my tears with makeup  
Things I could do with this brush  
You'd never know that I hurt (No)

Yeah, I'm pretty (Pretty)  
Pretty (Pretty)  
Pretty sure I'm not done healing  
Pretty sure I'm not done healing  
But I'm pretty (Pretty)  
Pretty (Pretty)  
Pretty sure that I'm still breathing

I'm not afraid to cover up, put on a front  
Put on a face and show it off  
Yeah, make myself pretty (Pretty)  
Pretty (Pretty)  
I'm pretty  
Pretty far from feeling pretty, sure I'm not done healing
