

When I Fall

Katy Nichole

Lord, I can find you right now
And everything is crashing down
I'm losing faith and falling into my doubt

How long will I have to fight
Just for me to stay alive?
I know you're there, God
Please just meet me here tonight

My God, I'm tired of trying to be okay
I've prayed all the prayers I have to pray
Please don't leave me lonely
My God, I need you to hold me

My God, I'm losing all the hope I got
I'm far beyond the point of being lost
I've tried, but I can't let go
'Cause God, you catch me when I fall
You catch me when I fall
You catch me when I fall
You catch me when I fall

There's hardly air in my lungs
With all the damage that's been done
Lord, please sustain me now
I know you are in love

My God, I'm tired of trying to be okay
I've prayed all the prayers I have to pray
Please don't leave me lonely
My God, I need you to hold me

My God, I'm losing all the hope I got
I'm far beyond the point of being lost
I've tried, but I can't let go
'Cause God, you catch me when I fall
You catch me when I fall
You catch me when I fall
You catch me when I fall

Lord, please help me now
My soul is crying out

My God, I'm tired of trying to be okay
I've prayed all the prayers I have to pray
Please don't leave me lonely
My God, I need you to hold me

My God, I'm losing all the hope I got
I'm far beyond the point of being lost
I've tried, but I can't let go
'Cause God, you catch me when I fall
You catch me when I fall
You catch me when I fall
You catch me when I fall
