

Breakout

Katy Perry

Every week's the same
Stuck in school's so lame
My parents say that I'm lazy
Getting up at 8am's crazy
Tired of being told what to do
So unfair, so uncool

The day's too long
And I'm holding on
'Til I hear the bell ring
'Cause that's time when we're gonna
Time when we're gonna...

Breakout
Let the party start
We're gonna stay out
Gonna break some hearts
We're going to dance 'til the dance floor falls apart
Uh-oh, all over again
We're gonna wake up everyone we know
We're gonna have some fun, gonna lose control
Feels so good to let go, oh-oh, go, oh-oh

Hanging out's just something we like to do
My friends and the mess we get into
These are the lessons that we choose
Not a book full of things we'll never use

The day's too long
And I'm holding on
'Til I hear the bell ring
'Cause that's time when we're gonna
Time when we're gonna...

Breakout
Let the party start
We're gonna stay out
Gonna break some hearts
We're going to dance 'til the dance floor falls apart
Uh-oh, all over again
We're gonna wake up everyone we know
We're gonna have some fun, gonna lose control
Feels so good to let go, oh-oh, go, oh-oh

Wish it would never end
Spending time with my friends
Oh, with my friends!

Breakout
Let the party start
We're gonna stay out
Gonna break some hearts
We're going to dance 'til the dance floor falls apart
Uh-oh, all over again
We're gonna wake up everyone we know
We're gonna have some fun, gonna lose control
Feels so good to let go, oh-oh
