

# By the Grace of God

Katy Perry

Was 27 surviving my return to saturn  
A long vacation didn't sound so bad  
Was full of secrets locked up tight like iron melting  
Running on empty, so out of gas

Thought I wasn't enough  
Found I wasn't so tough  
Laying on the bathroom floor  
We were living on a fault line  
And I felt the fault was all mine

Couldn't take it any more by the grace of god  
I picked myself back up  
I put one foot in front of the other  
And I looked in the mirror and decided to stay  
Wasn't gonna let love take me up that way

I thanked my sister  
For keeping my head above the water  
When the truth was like swallowing sand  
Now every morning hope  
There is no more morning  
Oh I can finally see myself again  
I know I am enough  
Possible to be loved  
It was not about me

Now I have to rise above  
Let the universe call my bluff  
Yeah the truth will set you free by the grace of god  
I picked myself back up  
I put one foot in front of the other  
And I looked in the mirror and decided to stay  
Wasn't gonna let love take me up that way

There ain't no  
Not in the name  
In the name of love  
That way  
There ain't no  
I'm not giving up

By the grace of god  
I picked myself back up  
I put one foot in front of the other  
And I looked in the mirror

By the grace of god  
I picked myself back up  
I put one foot in front of the other  
And I looked in the mirror and decided to stay  
Wasn't gonna let love take me up that way
