

Champagne Problems

Katy Perry

I wanna see you soon as I wipe the crust from my eyes
Til the day I die could you be the love of my life?
I'm a soldier for you baby, I earned all my stripes

Make-ups to the break-ups, times we could've gave up
We put that dirty work in so now we know it's worth it
Now we're celebrating
I'm so glad we made it this far

'Cause baby, all we got
Are champagne problems now
'Cause baby, all we got
Are champagne problems now

I wanna see you soon as I wipe the crust from my eyes
Til the day I die could you be the love of my life?
I'm a baller for you baby, I pay any price

Make-ups to the break-ups, times we could've gave up
We put the dirty work in, became a better version
Now we're celebrating
I'm so glad we made it this far

We both know the hardest part is over
Pull me closer, pour a drink

'Cause baby, all we got
Are champagne problems now
'Cause baby, all we got
Are champagne problems now

Yeah that's all we got
We both know the hardest part is over
Pull me closer, pour a drink

'Cause baby, all we got
Are champagne problems now
'Cause baby, all we got
Are champagne problems now
