

## Circle the Drain

Katy Perry

This is the last time, you say  
After the last you line you break  
It's not even a holiday  
Nothing to celebrate

You give a hundred reasons why  
And say you're really gonna try  
If I had a nickel for every time  
I'd own the bank

Thought that I was the exception  
I could rewrite your addiction  
You could've been the greatest  
But you'd rather get wasted

You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
To watch you go down

Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain  
Watch you circle the drain, watch you circle the drain

You say you have to write your rhymes  
Whatever helps you sleep at night  
You've become what you despise  
A stereotype

You think you're so rock and roll  
But you're really just a joke  
Had the world in the palm of your hands  
But you fucking choked

Should've been my teammate  
Could've changed your fate  
You say that you love me  
You won't remember in the morning

You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
To watch you go down

Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain  
Watch you circle the drain, watch you circle the drain

You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
(I'm not sticking around)  
To watch you go down  
(I'm not sticking around)

Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain  
Watch you circle the drain, watch you circle the drain

Watch you circle the drain, watch you circle the drain  
You're going down, you're going down  
You're going down, you're going down

You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around to watch you go down
