

# CRUSH

Katy Perry

Is it a crush?  
Makin' me blush  
Here I go again, I'm fallin' in love  
Catchin' my breath  
Whenever we touch  
Here I go again, I'm fallin' in love

My heart goes  
La, dada, dee  
La, la, dee  
La, dada, dee  
My heart goes  
La, dada, dee  
La, la, dee  
La, dada, dee

Feelin' all the butterflies  
Livin' in a candy daydream  
'Motions that I can't describe  
Even all the birds are singing

Yeah I, I got those palpitations  
Those boom, boom, booms  
I'm on a new vibration  
Yeah, I, I need some medication  
Your ooh, ooh, ooh  
I need an explanation

Is it a crush?  
Makin' me blush  
Here I go again, I'm fallin' in love  
Catchin' my breath  
Whenever we touch  
Here I go again, I'm fallin' in love

My heart goes  
La, dada, dee  
La, da, dee  
La, dada, dee  
My heart goes  
La, dada, dee  
La, da, dee  
La, dada, dee

I know that you feel the same  
Giving me the right frequency  
Every time you say my name (My name)  
Baby, I don't need persuading

Yeah I, I got those palpitations  
Those boom, boom, booms  
I'm on a new vibration  
Yeah, I, I need some medication  
Your ooh, ooh, ooh  
Come on, answer the question

Is it a crush?

Making me blush  
Here I go again, I'm fallin' in love  
Catchin' my breath  
Whenever we touch  
Here I go again, I'm fallin' in love

My heart goes  
La, dada, dee  
La, da, dee  
La, dada, dee  
My heart goes  
La, dada, dee  
La, la, dee  
La, dada, dee

My heart goes
