

Hackensack

Katy Perry

Ami **C**
1. I used to know you when you were young
F **C** **E**
You were in all my dreams
Ami **C**
We sat together in period one
F **C** **E**
Fridays at eight-fifteen
Ami **C**
Now I see your face in the strangest places
F **C** **E**
Movies and magazines
Ami **C**
I saw you talking to Christopher Walken
F **C**
On my TV screen

F **C**
R: But I will wait for you
F **Emi G**
As long as I need to,
Ami **C**
And if you ever get back to Hackensack
F **C**
I'll be here for you

2. I used to work in a record store
Now I work for my dad
Scraping the paint of the hardwood floors
The hours are pretty bad
Sometimes I wonder where you are now
Probably in LA
That seems to be where everybody
Else ends up these days

R: And I will wait for you...
