

# Miss You More

Katy Perry

Saw your picture on accident  
Your face has changed  
The lines are sinking in  
I pressed played, I should haven't  
Congratulations, but do you ever wonder what we could have been?  
But you mind plays tricks with distance  
Always makes things feel unfinished

I miss you more than I loved you  
I do  
I miss you more than I loved you  
I miss you more than I loved you  
Oh, I do  
I miss you more than I loved you

Saw a balloon floating away  
I thought did someone let go, or did they lose it?  
So strange you know all my secrets  
Please keep them safe  
And darling, you know I'll do the same

The window no longer in existent  
Baby, you'll always be in my orbit

I miss you more than I loved you  
I do  
I miss you more than I loved you  
I miss you more than I loved you  
Oh, I do  
I miss you more than I loved you

We were a match but not a fake  
We were a dream, unrealistic  
We didn't lose, we didn't win  
Sometimes I wonder what we could of been

I miss you more than I loved you  
I do  
I miss you more than I loved you  
I miss you more than I loved you  
Oh, I do  
I miss you more than I loved you

You'll always be in my orbit  
You'll always be in my orbit
