

# Passenger

Katy Perry

I can't let go of control  
I can't let go and not know  
Don't know the way ahead of me  
One day at a time is all I need  
There was a time without trust  
There was a time without love  
But it took you to show me  
That I could hand over the keys

I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger, no  
I never knew how good it would feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger, no  
But we'll see more without a map  
Without a map, without a map, without a map

So let's take a walk and get lost  
Let's take a chance on finding us  
I wanna see the world with you  
Every step feels so brand new  
It's hard to jump with no net  
But I've jumped and I got no regret  
You're my co-pilot, yeah that's right  
Now I can just enjoy the ride

I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger, no  
I never knew how good it would feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger, no  
But we'll see more without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map (life is beautiful)

I know we're finally falling  
Cause I was giving you half no more than  
My hand's in the air while you're driving  
This is living, this is living, this is living  
Oh it's beautiful, beautiful  
Being with you, being with you

I'll let you lead the way now  
Cause I want you to take the wheel  
I've never been a passenger, no  
I never knew how good it would feel  
The road will twist and turn but  
I know that I am in good hands  
I've never been a passenger, no  
But we'll see more without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map (life is beautiful)

Without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map (life is beautiful)  
Without a map
