

# When I'm Gone

Katy Perry

When I'm gone, I'm never really gone  
You think you're moving on  
But it won't be for long, you'll see  
When I'm gone, I'm never really gone  
You think you're moving on  
But no one's gonna feel like, feel like

Thought it would be easy  
Easy to forget me  
Let go of the memories  
Now your bed is empty  
You're waking up sweating  
I'm still in your wild dreams

Late nights  
Call on me, call on me  
Do anything to keep me close  
Well, you should know it's gonna be, gonna be  
So hard for you to let me go

When I'm gone, I'm never really gone  
You think you're moving on  
But it won't be for long, you'll see  
When I'm gone, I'm never really gone  
You think you're moving on  
But no one's gonna feel like, feel like

Me on top of you  
Touch you like I do  
No, you'll never forget

When I'm gone, I'm never really gone  
You think you're moving on  
But no one's gonna feel like, feel like

You're chasing the danger  
It's just in your nature  
Look for me in strangers  
All these pretty faces  
No one can replace it  
I'm always your favorite

Late nights  
Call on me, call on me  
Do anything to keep me close  
Well, you should know it's gonna be, gonna be  
So hard for you to let me go

When I'm gone, I'm never really gone  
You think you're moving on  
But it won't be for long, you'll see  
When I'm gone, I'm never really gone  
You think you're moving on  
But no one's gonna feel like, feel like

Me on top of you  
Touch you like I do

No, you'll never forget

When I'm gone, I'm never really gone  
You think you're moving on  
But no one's gonna feel like, feel like me

When I'm gone  
When I'm gone
