

## Baubles, Bangles, and Beads

Kay Starr

Baubles, bangles I hear how they ring ching-a-lingle  
Baubles, bangles, bright shiny beads  
Sparkles, spangles my heart will sing sing-a-linge  
Wearing baubles, bangles and beads

I'll glitter and I'll gleam so make somebody dream  
So that some day he may buy me  
A ring a-ring a-ling-a  
I've heard that's where it leads  
Wearing baubles, bangles and beads

I'll glitter and I'll gleam so make somebody dream  
So that some day he may buy me  
A ring a-ring a-ling-a  
I've heard that's where it leads  
Wearing baubles, bangles and beads  
I'll be wearing baubles, bangles and beads
