

## Gonna Get a Guy

Kay Starr

Gotta get a guy  
Because I oughta have a guy  
Because I never had a guy  
That's why I'm gonna get a guy

Gonna get a guy for kissin'  
Gonna get a kiss I'm missin'  
Wouldn't tell a lie  
I mean I'm gonna get me a guy

I've been gettin' wise watchin' all the guys  
Walkin' their beauties  
I made up my mind, gonna go and find  
One of those cuties.....Don't try to stop me

Gotta get a guy  
Because I oughta have a guy  
Because I never had a guy  
And that's why I'm gonna get a guy

I've been gettin' wise watchin' all the guys  
Walkin' their beauties  
I made up my mind, gotta go and find  
One of those cuties.....You can't stop me

Gotta get a guy  
Because I oughta have a guy  
Because I never had a guy  
And that's why I've gotta get a guy

Because I never had a guy  
That's why I'm gonna get a guy
