

# I Waited a Little Too Long

Kay Starr

I could have had you for a lifetime  
But I waited, yes I waited a little too long  
I played the game not very smart  
But I took your kisses, darling, somebody stole your heart

I thought that I had done the right thing  
But I know now, I know that I was all wrong  
I could have had you for a lifetime  
But I waited, yes I waited a little too long

I could have had you for a lifetime  
But I waited, yes I waited a little too long
