

Side By Side

Kay Starr

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singin' a song
Side by side
Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load
Side by side
Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all
When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side

See that sun in the mornin'
Peekin' over the hill
I'll bet you sure, it always has
And it always will
Well, that's how I feel about someone
And somebody feels about me
We're sure in love with each other
And that's the way it's gonna be

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singin' a song
Side by side
Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load
Side by side
Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all
When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side
