

# The Best Things In Life Are Free

Kay Starr

The moon belongs to everyone  
The best things in life are free  
The stars belong to everyone  
They shine there for you and me

The flowers in spring  
The robins that sing  
The moonbeams that shine  
They're yours, they're mine

And love can come to everyone  
The best things in life are free

The flowers in spring  
The robins that sing  
The moonbeams that shine  
They're going to be yours, they're going to be mine

And love can come to everyone  
Because the best things in life are free
