

# I Hate Falling In Love

Kaya Stewart

I'm not easy to please  
Got you down on your knees for what  
I'm not feeling these changes  
I don't want to be hurt too much

I guess we can be friends  
But we're already close enough  
If you're keeping a secret  
If you're keeping a secret

I hate falling in love  
That shit don't come easy  
Now I feel like you need me  
I hate falling too deep  
Now I'm under water  
Soon you'll just be a stranger

I don't, I don't like the feeling no  
I don't, I don't like the feeling no  
I don't, I don't like the feeling it brings

I don't, I don't like the feeling no  
I don't, I don't like the feeling no  
I don't, I don't like the feeling it brings

Tell me do you really want me  
Leave when I'm feeling lonely  
Too close baby, I can't help it  
It's not you maybe I'm just selfish

I hate falling in love  
That shit don't come easy  
Now I feel like you need me  
I hate falling too deep  
Now I'm under water  
Soon you'll just be a stranger

I don't, I don't like the feeling no  
I don't, I don't like the feeling no  
I don't, I don't like the feeling it brings

I don't, I don't like the feeling no  
I don't, I don't like the feeling no  
I don't, I don't like the feeling it brings
