

Let's Split

Kaya Stewart

It's a Sunday and I'm bored
You know I like the movies, but you never called
Packed my bags and I'll go away
I don't need to deal with this every day
Asked for money; now I'm broke
The only thing I got is a TV remote
You drive me crazy; I'm going insane
But I don't get no one else to blame

Sunday, Monday, Tuesday, Wednesday
Love is fun when you call me baby
But now I'm just your coat stand
Thursday, Friday, Saturday, Sunday
I need a drink and I'm not even 20
I don't even want to be friends

You ain't got no money, babe
And I ain't got no time to waste
So let's split, cause I can't do this
You ain't got no lovin', babe
And I ain't got no time to waste
So let's split, cause I can't do this

Dinner was fine; conversation sucked
Can't believe you just blew 100 bucks
Shoulda gone out on the town
Why am I even hanging around?
Girlfriend called; I said I had plans
Then he cancelled; guess I'll talk to my fans
Feel like it's affecting my health
Am I just talking to myself?
