Kaya Stewart

I've got choices that I make  
And I'm not thinking 'bout you when I make 'em  
And if it's a mistake  
Then at least I know that I'm for blaming

So when I walk in that corner store  
My heart this time won't hit the floor  
Cause I don't care  
I don't care if I let you go

You could point out all my flaws  
But it doesn't bring up any feeling  
You could pack up all your clothes  
But I'm the one that's really leaving

Like a match to a flame  
It's gonna burn but who's to blame  
Cause I don't care  
I don't care if I let you go

And I've got a feeling that it's over  
And I couldn't be any better  
And I'm gonna get this tattoo removed

I bought a book on how to change  
But I just can't get through the pages  
And it's really such a shame  
But I guess this time I've gotta say it

I'm not cold hearted  
Just the truth  
I guess I'm not in love with you  
And I don't care  
I don't care if I let you go

And I've got a feeling that it's over  
And I couldn't be any better  
And I'm gonna get this tattoo removed

And I've got a feeling that it's over  
And I couldn't be any better  
And I've got a feeling that it's over  
And I'm gonna get this tattoo removed
