

## Nothingness

Kayak

Hard days to give  
More than a smile to ease the pain  
The loneliness, the rain  
Don't think of me as a chord in chains

It's me and it's the way I live

Deep in my heart I know that it's true  
Though we're apart and though I've been hurting you  
Nothingness would be my life without you

There'll come a time  
When I'll be back again to stay  
Forever and a day  
Oh love be sure I'll find my way

Back to the one I left behind

If you were gone what would I be  
If there'd be no one, if you wouldn't wait for me  
Nothingness would be my life without you

How would I feel  
How could I live another day
