

Reason for it All

Kayak

All my life I've been searching for a dream, in
All my dreams I've been searching for a life
All the things I buried deep inside
All the places where I tried to hide
And I don't know if it's you I'm looking for
I'm only trying to find the reason for it all

Suddenly a strange light is coming in
Beams of love brighten everything
All the things I've always liked to say
Rolling out in such an easy way
And I don't know if it's you I'm looking for
I'm only trying to find the reason for it all
