

The Future King

Kayak

I will guide you to your destiny
By the hidden path of sorcery
To where no one knows your name
Far from trouble and conspiracy
Unaware of your true identity
You'll be Keeper of the Flame
Raised to be a king
The future king

I'll prepare you for what's meant to be
To fulfill the Falcon's prophesy
Soon the Dragon's blood will flow
Safely guarded from your enemy
I will show you all you need to see
Teach you all you need to know
Oh to be a king
The future king
