

Do Better

KayCyy

It don't take too much to show
Not everything that glitter's gold
Don't you have a bitter soul
I'm tryin' to let you know
You can do all that alone
What you really need him for?
You not improvin' nun' in your life
Stop wasting all your time

Yeah, and you know what you need
You wastin' your time, it won't make you succeed
Constantly waitin' on [?] when you know [?] he ain't sleep
But sleep on you
And I hope you don't think less of yourself 'cause you're beautiul
You might as well put that passion and love towards your soul
You need to start being more selfish, love yourself more
That's the only time I'ma say that 'cause you need to love your self way more
'Cause these niggas ain't doing it right, nah nah

It don't take too much to show
Not everything that glitter's gold
Don't you have a bitter soul
I'm tryin' to let you know
You can do all that alone
What you really need him for?
You not improvin' nun' in your life
Stop wasting all your time

[?] I'm not hating, I'm just being real
You can do so much better, you know
