# Don't I

**KayCyy**

Hmm-hmm, started out
Think we found a loophole
Yeah, uh, yeah yeah

Feel relaxed when I'm with you (You, you, you)
Couple blunts and we on Pluto (Plu, Plu, Plu), yeah yeah
Don't I give you something to remember when I'm gone?
Don't I always keep my promise that I'm coming right back on?

Yeah, diggin' you down (Diggin' you down)
Facin' you up (Facin' you up)
I'm makin' you proud (I'm makin' you- woah)
I'm servin' you rounds, right out the flight
She suckin' me right
Got no more [?]
She know that she bad
Most definitely breaking her back (Uh)
Most definitely she gon' get back
For the [?] checkin' no tax
She was there when I was wearin' racks
Put your trust on me, won't let you down
[?] you go as I'm leveling down

This the post first, I'm never gonna make you nervous
Uh-uh-uh, can you show me how the neck work?
Lightwork, can you show me how the pussy work?
You give me flashbacks when I'm out of work

Feel relaxed when I'm with you (You, you, you)
Couple blunts and we on Pluto (Plu, Plu, Plu), yeah yeah
Don't I give you something to remember when I'm gone?
Don't I always keep my promise that I'm coming right back on?

So say what you want (Say what you want)
All that you want from me, yeah, 'cause you worth 'em all
I'm never go ghost on you, shawty, I'm coming right home
Surrender it all to you, baby, I'll give you the throne
