Pluman, Pluman, Pluman hey  
I hustle, I never give up  
Blessing they filling my cup  
I got my city on the way, I swear they never get enough  
Everything is a go  
Everything gotta go  
Everyone gotta go  
I bet shawty gon go  
Bring a waitress on the road  
Everything must go  
Lil club on the go  
I bet it all gotta go  
I promise you ain't gotta go  
Everything must go  
Got it all man man man, you ain't gotta go

Now what I mean by that is like, it's a green light, you know what I am saying like  
From this point on like, it's only up  
You know what I am saying go

I just thought, I be like get it  
All of my niggas they with it  
She gone give me head just like a [?]  
Told them niggas to just mind they business  
I'ma make it from rags to riches  
I'ma [?] on these hoes like the Denis  
I be cooking it up like a chemist  
When I pull up on them, they embarrassed  
I just wanna ball like it's NBA  
Shawty if you fuck with me, then you gon wanna stay  
I don't do nothing for free, sorry you gotta pay  
Ay, I got what you need so you can come my way  
Gotta stay humble  
It feels like I am on the way to make it, been through a lot man I came through the struggle  
Now that these niggas gave me nothing man I had to go and get it and hustle  
Middle fingers to them niggas that hit it, I am balling on them like I am Russell  
Pluman, Pluman, Pluman take off like a shuttle

Pluman, Pluman, Pluman hey

I promise you ain't gotta go  
Everything must go

Got it all man man man, you ain't gotta go

Ay, this for all the people that done told me no  
Bet I still eat, bet I fuck your ho  
Fuck it, fuck wrong with these niggas tho  
This [?] lie, I  
This is a MB13 production

I told my niggas [?] let's get the money  
I told my niggas fuck them niggas they acting funny  
So focused tryna get it man  
When they wake up on me they gon notice man  
Like damn why we sleep on buddy, how has he been killing shit from the begin  
ning man  
True story, pull up on em in a blue Rari  
Switching lanes like I am new Tory  
6th 7th grade I been grinding hard trying to get paid every time I show up o  
n the stage on a stage man, trying to make way  
Laughed at me, but I kept going like a wrong way  
Till the top is my only way

Pluman, Pluman, Pluman hey
