Then I went and got my own sound  
Then I went and did my own thing  
Then I went and they done now  
Where they at now  
Not any niggas can beat me  
Not any niggas defeat me  
I focus on trying to [?]  
I know that this shit is too easy  
I noticed this when it's day  
I woke up and made too easy  
I knew I was mad  
I knew that I came up then and I

Found my sauce and I, yeah, yeah  
Find my sauce and I, started  
Find my sauce in a whip

Ay go  
Let it float  
Watch it come down, yeah, yeah  
Watch it come down, yeah, yeah  
Come down  
Let it go, ay yeah  
Watch it float now  
Watch it come down there yeah  
Watch it come down, yeah, yeah

And if they run up, they gon lay down yeah  
Your bitch a side, and I don't mean to play ground  
She be in the town, bring it on the greyhound  
I be high as Pluto, it be me and Pluto  
We be sipping Trony  
Now we don't do [?]  
And all we fuck is new hoes  
Swag dripping in my new clothes  
If it goes up than it gotta come down

Throw them one's up, then watch em' go down  
Think I am fucked up but I need another round  
Cause it is going down

Ay go  
Let it float  
Watch it come down, yeah  
Watch it come down, yeah  
Let it go, ay  
Watch it float now  
Watch it come down there  
Watch it come down, yeah
