KayCyy

I roll up all lonely, can't fuck with no phoneys  
I ball like Ginóbili, baby just hold me  
I know that they want me, but they are not for me  
Just a year ago, they wasn't calling my phone  
So call up the money, I'm of the money  
I love with the money, I need the Franklin's for sure  
Let's hop in a million, just without feelings  
Let's run up a trillion, know I am the trillest  
Better believe, ay, wow

I got a Apple watch, I don't need no Rolex  
I really want to fuck you babe, but I don't mind no phone sex  
I know that he mad at you, I know you weren't gon' protest  
You got a new attitude, shawty walking with a new bag, wow  
She told me to pipe her up, shawty walking with a new ass, wow  
We can just add it up, we can go and get some new cash, wow  
Hope you got stamina, you ain't fucking with your last, no  
Do that shit rapido, we can do that shit fast, wow  
How much it cost, ay oh, dripping like Voss, ay oh  
Taking no loss, oh, gas [?]  
Jump out the lot oh, Heny on rock  
Taking no shots, oh, straight out the bottle, oh  
I sip a lot, oh, that's no cap, oh  
I lead they follow, oh  
Started from the bottom, oh  
Solo mode on these hoes, going gold on these hoes, bankroll that's the flow

I roll up all lonely, can't fuck with no phoneys  
I ball like Ginóbili, baby just hold me  
I know that they want me, but they are not for me  
Just a year ago, they wasn't calling my phone  
So call up the money, I'm of the money  
I love with the money, I need the Franklin's for sure  
Let's hop in a million, just without feelings  
Let's run up a trillion, know I am the trillest  
Better believe, wow

I got my Air Max on, today I am not rocking no Gucci  
I cannot roll with you, my bitch with me, it's a 2 seat  
I'm from the other land, you know I am stunting like Lupe  
I know they gon' fuck with this shit, tell em' go put this on repeat  
Wow, this for the streets  
Rep where you're from, what's your city?  
They got the spears like it's Britney  
They tryna find how to end me  
I'm tryan tell you they hate me  
Dropping hit's till infinity, that be the reason they hating me  
I got them hits, got the recipe  
I know them bitches remember me  
Remember my name, was just clowning me  
[?], when they doubted me  
Flexing on you no apology  
Flexing on you no apology  
You know I brought the gang out with me  
And they brought the Hellcat's too, they don't need me  
Everybody a boss, everybody eat  
Never let my niggas go broke around me

I roll up all lonely, can't fuck with no phoneys  
I ball like Ginóbili, baby just hold me  
I know that they want me, but they are not for me  
Just a year ago, they wasn't calling my phone  
So call up the money, I'm of the money  
I love with the money, I need the Franklin's for sure  
Let's hop in a million, just without feelings  
Let's run up a trillion, know I am the trillest
