Shout out all my niggas from Trinidad, my trap I'll buy you niggas man

If I eat, then you know my niggas they gon eat to
And my bitch a boss, she got a G cool
If I pull up yeah you know my niggas with me too
Pussy niggas they so hype when we come through
And you know we really fly as hell yeah
And you know we rocking YSL yeah yeah
And your bitch a tail, she's a tail yeah
I can't hang with her cause she's squirrel yeah

I don't want your girl, you can keep her
All my bitches yeah, they some eaters
Before she do me, she do Peter
And I am smoking loud, yeah that reefa yeah
What these niggas saying, I don't hear them
I see you looking at me John Cena
I'm really doing me, I am a king now
And I am balling on em Yao Ming oh
My lil bitch a squirrel, she's a diva
And she just want respect like [?]
If I didn't rap, I would be a scammer
I got bitches that would really scam ya
Just caught me a lil bih from Alabama
I'll put her on Pluto shit, she got a [?] now
Can't blame me for not relating, understand that
I'm switching my locations, understand that
I've been in my bag since the 8th grade nigga
I was really broke but now I am paid nigga
[?] got the strap if you a fake nigga
[?] real folk, he insane nigga
I just need my space, I need my space nigga
At 18, I gave my mamma space nigga
I took a flight and got me up a race nigga
I quit my 9 to 5 I am not a slave nigga
I got a city on my back that I ain't even from
I got Kenya on my arm, that really be my home
When my aunty died, I swear that really hit home
When my grandpa passed, I swear that really hit home

If I eat, then you know my niggas they gon eat to
And my bitch a boss, she got a G cool
If I pull up yeah you know my niggas with me too
Pussy niggas they so hype when we come through
And you know we really fly as hell yeah
And you know we rocking YSL yeah yeah
And your bitch a tail, she's a tail yeah
I can't hang with her cause she's squirrel yeah

I can't hang with her cause she's squirrel yeah
I need my money fast, you a snail yeah
I just want my money, want dinero yeah
I'm blessed up, Jesus on the nail yeah
Feeling like a sail yeah
Really on the boat, I am the sail yeah
Really I am the goat, you can tell yeah

Really I am the goat, you can tell yeah

Pluto

P3

Really I am the goat, you can tell yeah

Really I am the goat, you can tell yeah

Really ah, really ah
