Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
[?] they quit from my conscious
I promise you I won't miss you
I promise you I won't miss you
I promise you I won't miss you
Do it look like I need you
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
I'm going hard, you can't stop me
I'm going hard, you can't stop me
They looking at me like I am cocky
They looking at me like I am cocky
I don't need you I got options

Fuck I need you I got options
Watch how you step up to me, you'd be cautious
Outta space like a martian
Money money that's my target
I'm never sleeping bitch I am [?]
I'm surfing on em like it's [?]
Dreaded up like I am Marley bitch
Pluman is a way of life
Never sinning but I know a couple plugs if you wanne meet the Christ
In the kitchen with the recipe
Lame niggas tryna flex on me
Regulars they don't bother me
I [?] bitches like they [?] on me
Going hard ain't no stopping me
Working hard like there is 2 of me
When they told me I would do it
I had to do it just to prove it
Pluman Pluman it's a movement
Taking over like I knew it
Chasing hoes what you doing my nigga
Get the money get to moving my nigga
You wasting time trying to wife her my nigga
They don't love you, they just look at the figures
I turnt the beat off while I am stating these facts
They won't respect you till you get you some racks
To fuck a bitch I want the cash
Legendary Steve Nash
Skrt off like dash
Fines your bitch and then I dab
Doing numbers like math
Studio I made it laugh
Ex shorty getting mad
I don't need you I am glad
When I make it imma act a fool
Spending money like a [?]
Who is you nigga who is you

I don't know you I don't the fuck with you
Image the look on my niggas faces when I told my niggas that we made it
Popping bottles niggas acting crazy
Popping bottles niggas celebrating
So much loud like we're meditating
New hoes on new hoes on new hoes for them old hoes that was always hating

Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
[?] they quit from my conscious
I promise you I won't miss you
I promise you I won't miss you
I promise you I won't miss you
Do it look like I need you
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
I'm going hard, you can't stop me
I'm going hard, you can't stop me
They looking at me like I am cocky
They looking at me like I am cocky
I don't need you I got options

Money over bitches any day
So much money like we're selling [?]
Fake niggas all up in my face
Broke nigga get the fuck away
Bitch I am gone bitch I am in the wave
Big checks can be hard to pay
Pluman, Pluman on the fucking way
I am putting up for my city
I am taking off they can't get me
Go shawty like 50
So bad you so filthy
So glad you fuck with me
I'm a king, I can't blame her
Gotta clean her like a taper
She to attached you can't save her
Might just go fuck up the bank
Hating as nigga what did you think
Got me singing to her like I am [?]
Got her wetter than the rain
Oh no, shaking that thing I see you
Don't you ever think I need you

Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
[?] they quit from my conscious
I promise you I won't miss you
I promise you I won't miss you
I promise you I won't miss you
Do it look like I need you
Fuck I need you I got options
Fuck I need you I got options
Fuck I need you I got options
I'm going hard, you can't stop me
I'm going hard, you can't stop me
They looking at me like I am cocky
They looking at me like I am cocky

I don't need you I got options
