

Rain

KayCyy

Smoke in the air
Darling, what's fear?
Why would I fear?
Told you I'm here
Darling, what's there?
Darling, don't be scared
Call me when you there
Told you I'll be there

The rain must fall (Fall)
The rain must fall (Fall)
The rain must fall (Fall)
The rain must-

You are the water in the desert
Baby, let's float
As long as we together
There's always gon' be hope

(Ooh-ooh-ooh)
The rain must fall, the rain must (Ooh-ooh-ooh)
The rain must fall, the rain must (Ooh-ooh-ooh)
I bet my all, the rain must (Ooh, ooh, ooh)
It must

Send your vibrations
I always make it make sense
Free charge for the maintenance
I can tell you need real friends
Drugs in the weekend
You call me when you're wasted
Call me when you're wasted (Wasted, oh, no)
You call me when you wasted (Wasted, oh, no)

(I'm in love with the shit that you do)
You stacking up love, been patient enough
(I'm in love with the things that you do)
You can't thank me enough for setting it up
You stacking up love (I'm in love with who I see you can be)
Been patient enough
You got potential, you got potential, yeah, yeah
You got potential, you got potential, yeah, yeah
You got potential, you got (Got it, oh)
You got potential, you got it

The rain must fall
The rain must fall
The rain must fall
The rain must-
(Ooh-ooh-ooh, ooh-ooh-ooh)

Feels so wild
The fire's in your eyes
Let me know you want it (Rain)
Blessings in disguise, I see you now
Let me know you want it (Rain)
Demons straight above

Don't you cut me by
Let me know you need it (Rain)
I can freeze the time
Baby stay around
I wanna blow your mind
All night long, I've been thinking
Mm, about it
Ooh, can't get enough
Ooh, can't get enough
(Ooh-ooh-ooh-ooh)
Can't get enough
(Ooh-ooh-ooh-ooh)
Can't get enough (Ooh-ooh-ooh-ooh)
Baby, stay around
I wanna blow your mind
All night long

I've been thinking (All night long)
I swear, I've been dreaming 'bout you (All night long)
I've been thinking 'bout you
I've been thinking 'bout you (Rain)
Demons straight above
Don't you cut me by
Let me know you need it (Rain)
I need, I need (Rain)
I need, I need (Rain)
I need, I need (Rain)
I need, I need (Rain)
The rain must fall (The rain must-)
The rain must fall (The rain must-)
The rain must- (The rain must-)
The rain must- (Rain)
