KayCyy

Uhhweee

Why you talking bout faithfulness?  
I'm finnesin' somebody's girlfriend right now  
And she willing to do whatever, she's down  
I can't blame her, I change her, she's so bad  
So I'ma join her, yeah  
Faithful shit  
I'm finnesin' somebody girlfriend right now  
And they willing to do whatever, they're down  
I can't blame her I can't change her  
She's so bad, so I'ma join her, yeah

Headed to the escape at nine o'clock, yeah  
I'll text you the address but no rush, yeah  
I'll give you enough time to make an excuse  
To lie to your man that you and your girlfriend  
Made some plans, call me when you the way, baby  
You know what to do cause we do this often, matter fact  
Just pull up on me, ain't no need for talking, I'll be waiting  
By the window baby don't be knocking. High heels dressed up  
Girl you had to sell it, you left yo man girl you so petty  
You say that's nun of my business then you call me daddy  
(Ohh ohhh) you say he don't do you like I do, nah  
She got relationship problems so she solve them problems with me  
I put it down I don't ask no questions I just give her what she need  
She know what she need, she know what she want  
Her boyfriend don't do it right, so I'll get it done

Why you talking bout faithfulness?  
I'm finnesin' somebody's girlfriend right now  
And she willing to do whatever, she's down  
I can't blame her, I change her, she's so bad  
So I'ma join her, yeah  
Faithful shit  
I'm finnesin' somebody girlfriend right now  
And they willing to do whatever, they're down  
I can't blame her I can't change her  
She's so bad, so I'ma join her, yeah

Leave your purse at the front counter when you walking in baby  
You know the way down to my bed this is nothing new, baby  
Let's make some memories when the sunrise you gotta leave  
Oh-woah, yeah yeah yeah yeah, you wanna stay with me  
But you know we can't be to suspicious  
You be in my crib doing dishes  
Penetrating when we freaking baby  
I'll be the key you be the ignition  
Start you over get you going baby, I know  
The spots that he don't know baby  
Every time that we do it it's like it's your first time I'm a pro baby  
You so sexy let you Know baby  
Put you on a pedestel baby  
Cold-hearted how you Did yo man  
I can you straight from the snow baby  
I don't judge you I just roll the dice and go with the flow  
She know what she want she know what she need

That's why she roll with a nigga like me

Why you talking bout faithfulness?

I'm finnesin' somebody's girlfriend right now

And she willing to do whatever, she's down

I can't blame her, I change her, she's so bad

So I'ma join her, yeah

Faithful shit

I'm finnesin' somebody girlfriend right now

And they willing to do whatever, they're down

I can't blame her I can't change her

She's so bad, so I'ma join her, yeah
