

# Call U Up

Kaytranada

Yeah  
Yeah  
Yes, sir  
Yo

This right here is the pretty boy swag  
My nigga pretty too, got pretty boy mags  
And pretty boy gaps, that pretty boy status  
That Z too fly, I don't even need a stylist  
Moving something like a gyalis  
I get what I want, know I got you nigga jealous  
She wants to caress my tats  
I let her talk back, got porn star stats  
Always end up on top like it's missionary  
Beat the pussy up, put it in a cemetery  
You not used to a nigga like me  
You like white boys rocking Abercrombie  
Shit's too easy to feel this good  
Shit's too easy to be this complicated  
Fuck all the politics, act on your instinct  
Let's make magic before it's too late

Make a nigga want to call you up  
I don't wanna, uh  
I don't think I have enough  
And I don't think I—  
Make a nigga fall in love  
I don't wanna, uh  
I don't think I had enough

I don't wanna call you up 'cause I don't wanna fall in love  
But I don't think I had enough, I don't think I had enough  
I don't wanna call you up 'cause I don't wanna fall in love  
I don't think I had enough, I don't think I had enough

Yep  
She's a natural, so sexy  
Rocks the afro, drive me crazy  
Good tempo, she's a dancer  
Good like a sample, this the anthem  
I'm in Miami, I'm in the Hamptons  
A nigga like me got no agenda  
Hair braided like Iverson  
She like, "Lou, you look even better in person"  
I missed one thing, she was born in August  
Freak on the low but she cut me off quick  
Met another one, shawty's a Pisces  
Kept it spicy and icy like me  
She spends her days on Co-Star  
My life is a movie, come be my co-star  
It takes two to tango  
My name is Lou Phelps, baby, nice to meet ya

Make a nigga want to call you up  
I don't wanna, I don't wanna  
I don't think I have enough  
Make a nigga fall in love

I don't think I had enough

Make a nigga want to call you up

I don't wanna call you up 'cause I don't wanna fall in love

But I don't think I had enough, I don't think I had enough

I don't think I have enough

I don't wanna call you up 'cause I don't wanna fall in love

Make a nigga fall in love

I don't think I had enough, I don't think I had enough

I don't think I have enough
