

# Chances

Kaytranada

It's hard to see a type of girl like me  
The stars truly, they want me to succeed  
They doubt, they're sleep, they keep on telling me  
I'm going nowhere  
Baby, wait 'til you see morning break, beware

When I'm on tour, I'll let you know  
And what's in store, I'll let you know  
And when I'm on, they'll let you know  
They'll sing my songs and they gon' dance along

Ooh, ooh  
Look at me go  
Ooh, ooh  
I got the groo-oove  
Ooh, ooh  
Look at me work  
Ooh, ooh  
I got the groo-oove

I'll take my chances on the road  
I'll take my chances on the road  
I'll take my chances on the road  
I'll take my chances on the road

Don't let them slow you  
You know you're getting closer  
You're bound to be golden  
Keep on doin' what you do  
Life opens doors, and can't nobody close them  
Learn from every moment  
Baby, you can bust through

When you're on tour, you let them know  
And what's in store, you let them know  
And when you're on they let you know  
They'll sing your songs and then come dance along

Ooh, ooh  
Look at you go  
Ooh, ooh  
You got the groo-oove  
Ooh, ooh  
Look at you work  
Ooh, ooh  
I got the groo-oove

I'll take my chances on the road  
I'll take my chances on the road  
I'll take my chances on the road  
I'll take my chances on the road

Take my, take my chances  
Take my, take my chances

Take my, take my chances  
Take my, take my chances  
(Take)  
(Yeah)
