

Drip Sweat

Kaytranada

Man's got me fucked up
Let's keep my head up
You hold your hands up
They might not shoot y'all
All of this hoopla
Because of the internet
If it's 'bout bullshit, they using my interest

Hell nah
Oh, you speeding
Hell nah
Oh
Hell nah
No

Drip, drip, sweat
Lightning round
Drip, sweat
Drip, drip, drip, sweat
Lightning round
Drip, sweat
Drip, drip, drip, sweat
Lightning round
Drip

Jump off the ledge
Time is essence
I am the legend
The party don't stop
We need more low end
Yeah, there you go
Stroking my ego
You know how I get
When all of my people
When all of my people

Focus on measurement
Time and distance
Focus on measurement
Time and distance
I'm fucking you, jump

Drip, drip, sweat
Lightning round
Drip, sweat
Drip, drip, drip, sweat
Lightning round
Drip, sweat
Drip, sweat
Lightning round
Drip, sweat
Drip, drip, sweat
Lightning round, drip

Man's got me fucked up
Let's keep my head up
You hold your hands up

They might not shoot y'all
All of this hoopla
Because of the internet
If it's about bullshit, they using my interest

Hell nah
Oh, you speeding
Hell nah
Oh
Hell nah
Oh

Drip, drip, sweat
Lightning round
Drip, sweat
Drip, drip, drip sweat
Lightning round
Drip, sweat
Drip, drip, drip, sweat
Lightning round
Drip, sweat
